

I diritti di prima e seconda generazione nella teoria democratica di Norberto Bobbio

MICHELE ZEZZA

First and Second Generation Rights in Norberto Bobbio's Democratic Theory

Abstract: The work examines the conceptual link between democracy and civil, political and social rights in Norberto Bobbio's theory. The main objective is to highlight the historicist and phenomenological approach, which leads the author to identify a bilateral relational model between theoretical evolution and social reality.

Keywords: Democracy, Civil rights, Political rights, Social rights.
