Assisted Reproduction after Ten Years of Legge 40: The Point of View of the Constitutionalist

Abstract: the Author of this paper adds the point of view of the constitutionalist to the debate on the Italian statute n.40/1994 on assisted reproduction illustrated by Flamigni and Mori in their work. The paper ends with a reflection on the recent decision n. 162/2014 issued by the Constitutional Court, which has declared the illegitimacy of the prohibition of heterologous reproduction.

Keywords: Assisted reproduction, Heterologous reproduction, Constitutional law.
