

Eguali e differenti: argomenti a favore del diritto alla diversità culturale

PAOLA PAROLARI

Equal and Different: Arguments in Favor of the Right to Cultural Diversity

Abstract: The essay provides counterarguments to some of the main criticisms related to the indeterminacy of the right to cultural diversity, to its controversial relationship with a universalist conception of fundamental rights, and to the challenge of legal pluralism in multicultural contexts.

Keywords: Right to cultural diversity, Pluralist universalism of fundamental rights, Legal pluralism.
