

Bergoglio e la bioetica: considerazioni e spunti di riflessione

LUCA LO SAPIO

Bergoglio and Bioethics: some Thoughts

Abstract: My rebuttal will be focused on three main aspects pointed out by Zeppegno, De Chirico and Bacchini: the relationship between doctrine and pastoral in Pope Francis, the transformation of catholic paradigm in Bioethics and the principal outcomes of the new Church on the conduct of faithful.

Keywords: Pope Francis, Catholic bioethics, Secular bioethics, Doctrine, Pastoral.
