

Bioetica e società liberal-democratiche

DEMETRIO NERI

Bioethics and Liberal-democratic Societies

Abstract: In this article, the author sets out his approach to bioethics as a public discussion forum placed between the different ethics present in the liberal and democratic societies and the law, a forum for the formulation of advice to the legislator when he has to intervene on ethically controversial issues.

Keywords: Bioethics, Secular bioethics, Italian bioethics, Ethical pluralism.
