

Costituzionalismo e diritti fondamentali

Commenti al volume di Giorgio Pino, *Il costituzionalismo dei diritti*

Costituzionalismo dei diritti e cultura giuridica. Problemi filosofici e definitori

SILVIA ZORZETTO

Constitutionalism of Rights and Legal Culture. Philosophical and Defining Issues

Abstract: The comment reflects upon the main original feature of *Il costituzionalismo dei diritti* (2017) by Giorgio Pino, which is to conceive the “age of rights” as a “legal culture” and it examines critically the definitions of such culture outlined in the book calling attention to justification and the idea of limit.

Keywords: Constitutionalism, Legal Culture, Ideology, Justification, Limit.
