

Per una teoria filosofico-giuridica della democrazia elettronica

Commenti al volume di Gianmarco Gometz, *Democrazia elettronica*

Democrazia elettronica: un concetto da abbandonare?

MARCO CUNIBERTI

Electronic Democracy: A Concept to Be Abandoned?

Abstract: The recent book of Gianmarco Gometz *Democrazia elettronica*, through a deep analysis, reveals the limits and the weaknesses of the idea of e-democracy, and deflate the illusion that the use of ICT in the deliberative procedures can itself strengthen (or even regenerate) contemporary democracies.

Keywords: E-Democracy, E-Voting, Representative democracy, Participation.
