

L'eguaglianza di fronte alle attuali sfide del costituzionalismo

FILIPPO SCUTO

Equality Amidst the Current Challenges of Constitutionalism

Abstract: The paper discusses Luigi Ferrajoli's book in light of the constitutional dimension of the principle of equality so as formulated in article 3 of Italian Constitution. In particular, some issues of the book related to the matter of equality are addressed: social rights in the EU integration process; the crisis of representative democracy and immigration.

Keywords: Principle of equality, Social rights and EU, Political parties, Immigration.
