Luigi Ferrajoli's Manifesto per l'uguaglianza: Some Comments

Abstract: The paper discusses Luigi Ferrajoli's book, *Manifesto per l'uguaglianza*, focusing on three points: the equation between the principle of equality and equality of fundamental rights, Ferrajoli's attempt to reply to the multicultural criticism of the universalism of rights and of equality, and the equation of secularism with neutrality and radical anti-paternalism.

Keywords: Equality, Rights, Multiculturalism, Neutrality, Anti-Paternalism.
