

# Quale Bobbio?

PIETRO POLITO

## *Which Bobbio?*

*Abstract:* Two professions, history and prehistory, two crises and three thirty-year periods contribute to reconstruct the life of Norberto Bobbio, Twentieth Century's man. The red thread crossing his life is the rational dialogue. Bobbio belongs to the family of those public intellectuals who recovered and revised the Enlightenment's methodology.

*Keywords:* Twentieth Century, Intellectuals, Dialogue, Enlightenment.
