

Conflitti pratici tra diritto e morale.

Commenti al volume di Damiano Canale, *Conflitti pratici*

Conflitti pratici, dilemmi e disaccordi

SERGIO FILIPPO MAGNI

Practical Conflicts, Dilemmas, and Disagreement

Abstract: This article focuses on some issues only superficially touched in Canale's book: the interaction between values and norms, the role of normative theories for solving moral dilemmas, the distinction between dilemmas and disagreement. Moreover, the article stresses the necessity to develop a theory about practical disagreements in order to complete the treatment of practical conflicts.

Keywords: Values, Norms, Dilemma, Disagreement, Relativism.
