

Dimensioni della responsabilità.

Commenti al volume di Carla Bagnoli, *Teoria della responsabilità*

Autorialità, attitudini reattive, responsabilità

DAMIANO CANALE

Authoriality, Reactive Attitudes, Responsibility

Abstract: In *Teoria della responsabilità*, Carla Bagnoli maintains, among other things, that a first-person explanation of morality allows a better understanding of responsibility, and that reactive attitudes are at the basis of any assumption or ascription of responsibility. In this short commentary, I rise some doubts about that.

Keywords: Responsibility, Authoriality, Reactive attitudes, Legal responsibility, Morality, Metaethics.
