*Trust, Responsibility, and the Law*

*Abstract:* This contribution discusses the relational dimension of trust in legal contexts building on Tommaso Greco's book, *La legge della fiducia*. Three elements characterize the discussion: (1) The centrality of trust relationships in combating institutional dysfunctions; (2) The meaning of trust in relationships governed by the law; (3) The possible tensions between the vulnerability involved in trust relationships and the certainty of the law.

*Keywords:* Trust, Responsibility, Vulnerability, Respect.
