

L'emergenza e l'eccezione

Commenti al volume di Mariano Croce e Andrea Salvatore *Cos'è lo stato di eccezione*

Su Carl Schmitt e l'unità del suo pensiero

MARINA LALATTA COSTERBOSA

On Carl Schmitt and the Unity of his Thought

Abstract: This short paper discusses three aspects of Croce and Salvatore's account of state of exception (*Ausnahmezustand*) by Carl Schmitt. In this regard, particular attention is paid to the distinction between state of exception and state of emergency; to Schmitt's commentary to art. 48 of the Weimar Constitution; finally to the notion of institutionalism and its relationship to social and political pluralism.

Keywords: Carl Schmitt, State of exception, Weimar constitution, Institutionalism, Nazism.
