

Disobbedienza: concetti, criteri di valutazione e giudizio politico

FRANCESCA PASQUALI

Disobedience: Concepts, Evaluation Criteria and Political Judgement

Abstract: This article examines Zuolo's reflections on the definition of civil disobedience, the validity of the category of uncivil disobedience, and the role to be attributed to the validity of the reasons given by those who disobey when assessing whether acts of disobedience are justified.

Keywords: Civil disobedience, Uncivil disobedience, Political justification.
