

# ***La società in persona. Appunti rapidi su un bellissimo libro***

ROBERTA DE MONTICELLI

*Quick Notes on a Wonderful Book*

*Abstract:* In her book *La società in persona*, Francesca De Vecchi redefines social ontology from a phenomenological perspective. In this brief commentary, I shall confine myself to highlighting one aspect of this redefinition: the role played by a new form of personalism.

*Keywords:* Social ontology, Phenomenology, Personalism.
