

Davide Dal Maso
Partner, Avanzi

Davide Dal Maso has worked for years as a business consultant, specialising in environmental management and innovation.

Among the founders of the Milan-based Avanzi - a think tank for sustainability, he has focused his studies on the relationship between financial activities and sustainable development. He currently runs research and consulting activities for the design and the implementation of strategies and management systems for corporate social responsibility. He is author of several articles and books on this topic.

Davide is President of Make a Cube3, an incubator that assists start-ups with high potential for creating social and green value, by providing comprehensive business support services, including back-office, governance expertise, access to knowledge and financing.

He is one of the promoters and the General Secretary of the Forum per la Finanza Sostenibile (the Italian Social Investment Forum) - a non-profit multistakeholders organisation whose mission is to enhance the awareness of Italian financial community on sustainability. In this capacity, he is also member of the Board of Eurosif, the European Sustainable Investment Forum, a non-profit membership organisation promoting the concept, practice and development of sustainable and responsible investment.

He is member of the board of the Italian CSR Manager Network.

He has been until 2011 director and Head of SRI Department at Vigeo Italia (formerly Avanzi SRI Research), the first Italian social rating agency, providing ESG research and consulting services for institutional investors and financial professionals.

Davide holds a B.A. in law and a MSc in Environmental Management.
