

## Nicola Pasini

Associate Professor of Political Science, University of Milan

Born in 1964, 24<sup>th</sup> December.

He is Associate Professor at the University of Milan since 2006.

He holds a PhD in sociology and methodology from the Catholic University of Milano (1997).

He graduated in political science at the University of Milano.

He teaches Politics and Public Administration, Local Government, Comparative Public Administration within the undergraduate program of the Faculty of Political Sciences.

His research interests are focused on:

- analysis of public administration and local government;
- transformation of relationship between politicians and civil servants in Italy and in Western Europe (spoils and merit system);
- ethical frontiers in public and private management with an interdisciplinary approach;
- rethinking the welfare state and citizenship (i.e. health policy and immigration) in the liberal and democratic societies;
- transformation of parties and party systems in Italy.

Since 2004 he is director of Centro di Formazione Politica, Milano ([www.formazionepolitica.org](http://www.formazionepolitica.org))

Since 1999 he is the coordinator of *Ethics and Public Administration* Section of Centro Studi Politeia, Milano ([www.politeia-centrostudi.org](http://www.politeia-centrostudi.org));

Since 1995 he is the coordinator of *Health and Immigration* Unit of Foundation ISMU, Milano ([www.ismu.org](http://www.ismu.org)).
